DRAWING FOUR PENSIONS. After a Term in Prison George Watson Tries It Again.

Washington, March 8.—A remarkable case of pension fraud, the latest developments in which have just come to light, has just been made public by the

About eight years ago George Watson (with four aliases) was sentenced to fine and imprisonment for having drawn and imprisonment for having drawn four separate pensions. At the time of his conviction he had two other claims for pension on file. Being an exemplary prisoner, Watson was discharged in June, 1898. Shortly after under the name of George Kelly, he presented a claim for pension on account of service in the Mexican war on the ship Savangab and letter filed application for the

nah, and later filed application for still another on account of service in the rebellon on the ship Pawnee.

In this his duplicity was discovered as a result of which he was held in Philadelphia several days ago in \$1,000 bail.

WILL PAY UP AND QUIT. Greenwich Fire Ins. Co. Gives Notice That It Will Leave the State.

The Greenwich Fire Insurance company has notified Insurance Commissioner McNall that sooner than report the salaries paid its officers, it will quit doing business in Kansas. In a letter to Commissioner McNall, Mr. M. A. Stone, secretary of the company, says: "While we have not the slightest objection to you personally having this While we have not the slightest objection to you personally, having this
information, we have very decided objections to having the information appear in a public document or as a public record, and we still think that the
information should not be considered of
sufficient importance to yourself or to
the people of the state of Kansas or to

the people of the state of Kansas or to the public generally to warrant the In-sistence that it be furnished.

"We understand, however, from your letter, that you feel obliged to insist that the amount of salary received by myself and the assistant secretary be officially reported to you, and as we feel that we should not be required to give the information, the company will discontinue business in Kansas and will withdraw from the state withdraw from the state.

"We presume such action on our part will be entirely agreeable to you, for we believe we have paid all fees, taxes and charges required, except such as may become due on our business for 1898, which will be promptly paid when ascertained."

FIRE STARTS A PANIC.

Eight Persons Severely Burned in Hartford Halls.

Hartford, Conn., March 8 .- At a fire in Germania hall last night, while tableaux were being prepared to open the masquerade ball of the Hartford Maen-nor choir society a panic resulted and eight persons were severely burned. Mrs. August Wattersdorf, aged 40, is believed to be burned fatally. The fire is thought to have been caused by crossed electric wires. Damage to the building \$19,000.

DEATH OF MRS. MANTELL. She Was Known on the Stage as Charlotte Behrens.

Port Huron. Mich., March 8.—Mrs. Robert Mantell, known on the stage as Charlotte Behrens, died last night at the Harrington hotel, this city. Mrs. Mantell had been ill for some time. Last evening her condition became serious and in spite of all that could be done she sank rapidly until this morning when death came to her release.

THE POLES OBJECT.

But the Bill to Settle German Farmers Among Them Passes in Spite of Them.

Berlin, March 8.—The bill granting the further sum of 100,000,000 marks for the purpose of settling German farmers in the provinces of Posen and West Prus-sla, came up for second reading in the Prussian Landtag today.

When the bill was taken up the Polish deputies rose and left the chamber in a body as a protest against the measure, wever, was carried, by a large

120 MILES AN HOUR

Locomotives Arranged With a Multiple Gear.

Some day we may look for a locomotive engine with the piston rods connected with a large gear wheel running in a smaller gear pinion made fast to the shaft of the driving wheels. By this device the same travel of the piston rod that we have in our present locomotives will turn the driving wheels over twice and result in 120 miles per hour instead of 60 miles per

Then it will be necessary to provide

Then it will be necessary to provide a sharp front to the train to avoid the heavy air pressure, and to devise some practical safety rails to insure the train sticking to them. These things are coming. Mark the prediction.

As the world moves faster, those who would stay with it and enjoy the yearly improvements must preserve and conserve their health. Coffee is one of the most cunning destroyers of nervous activity extant. Its effects show in a great variety of ways and when one finds that little troubles with the body are cropping up too frequently to be

inds that little troubles with the body are cropping up too frequently to be pleasant, it will be a clever stroke of common sense to drop off the drug for a month and see if you havint put your finger on the real villain.

It is an easy task to leave off Coffee when Postum Food Coffee, thoroughly boiled, is served. But Postum is not palatable unless it has been boiled full 15 minutes after boiling commences. Many people fall to get a desirable cup from Postum simply and solely because they leave it on the stove 15 minutes and consider, because it looks black and rich that it is done.

Not so. The delicious flavor and food value is not extracted until it has sharply boiled at least 15 minutes after boiling commences. It is a powerful builder of brain and nerve centers.

STRANGE CATTLE DISEASE Nebraska Stockmen Are Puzzled by a

New Melady Among Their Herds. Grand Island, Neb., March 8.-A fell disease has broken out among the cattle of Hall and adjacent counties. Stockmen of this section of the state are much alarmed and the cattlemen of other counties are apprehensive because the disease is

A dozen herds in as many parts of the county are infected now. The same is true of the adjacent counties, though not quite so bad. The federal government has recognized the seriousness of the disease d has ordered a veterinarian to Nebras-The official has not arrived yet, but

ins been instructed to hurry to this state. The farmers have termed the disease toof rot because that member decays rapidly after the animal contracts the disease, and before death relieves the victim from its suffering it is walking aro ...d practically on the bones of the legs, One feature of the case that causes many to believe that the disease come from other states—possibly the southern range— is the fact that few native cattle seem sub-

ject to the trouble. It was noticed first in a bunch of Texas cattle brought to Hall county by George H. Monroe. From there it spread rapidly to other herds, but has proved much more fatal among the imported stock than the natives. About three out of five animals afflicted die within five days after con tracting the plague. It is noticeable, first, in the stock limping, then the hoof rapidly decays, until it drops off in small pieces and crumbles away until there is nothing left but the bone. The victims have a species of hydrophobia before death, probably due to the great agony in which they

CANNON OVERHEATED.

Explodes Prematurely and Blows Off Arsenal Keeper's Arms.

Frankfort, Ky., March 8 .- A most horrible accident occurred on Arsenal hill this morning while the 100 guns were being fired.

Young Will Overton was assisting the arsenal keeper, J. K. Dixon, to load and fire the cannon. After a number of rounds had been fired the gun got hot, but in their hurry Overton and Dixon did not notice it, and as Overton was ramming home a very heavy charge of powder, the gun exploded it prema-

Both of Overton's arms were blown off, his face horribly burned and blackened, and one eye almost blown out. Dixon's only injury was the blowing off

of one thumb.

Overton was taken to the King's Daughters' hospital, where his shattered arms were amputated, the left one above the elbow and the right one be-

He is in a pitiable condition, and can

hardly recover.

The guns were being fired in pursuance to a resolution of the legislature, and tomorrow Senator Shanks of Newport will introduce a resolution to pay all of Overton's hospital expenses and \$1,000 additional. If this is found to be unconstitutional, he will ask that each procedure of the legislature give two member of the legislature give two days' pay, or \$10 each to a fund for Overton.

TO REPRESENT CORNELL. Novelty in the Coming Intercollegi-

ate Debate at Ithaca. Ithaca, N.Y., March 8 .- There is much anticipatory interest here in the inter-collegiate debate, University of Penn-

sylvania against Cornell.

The topic is "Restriction of Immigration," Pennsylvania having the affirmative and Cornell the negative. Each university will be represented by three

speakers.

For the first time in the history of debating at the Cornell university will be represented by a woman. Miss Gail Laughlin, as one of the speakers. Pennsylvania's representatives include two brothers, Roy W. and Thomas White. Miss Laughlin, who won the '94 memor-ial prize this year, came to Cornell from Portland, Me.

She was graduated from Wellesley in 'M in the course of arts and sciences She will graduate in the school of lay

ALAS! POOR SOCKALEXIS. The Indian Ball Player Has Another

Bout With Firewater. Cleveland, March 8.-Lou Sockalexis has again kicked over the traces, and is now on a big drunk. The members of the Cleveland club left for Hot Springs

the Cleveland club left for Hot Springs this afternoon for the season's preliminary training, and Sockalexis was not missed until the train had started.

A telegram was sent to this city to find him and send him by the first train. He was found in a saloon, intoxicated and making a fool of himself to the large crowd which had been attracted by his actions. This breach of faith with the Cleveland club is likely to go hard with the Indian, for he had promised that he would not touch another drop this year. He will leave for the Springs tomorrow if he is in condition to go.

A \$25,000 PAINTING.

Louvre Acquires One of Francesca's Landscapes.

Paris, March 8.-The Eclair says a magnificent fifteenth century painting of a Madonna with landscape by Piero Del La Francesca has just been ac-quired by the Louvre at a cost of 130,-It is the only specimen of this old master in that gallery.

A CONVICT 70 YEARS OLD. Dominick Tyler Sentenced to Five Years in the Penitentiary

for Forgery. Canton, O., March 8.—Dominick Tyler, who pleaded guilty to two indictments for forgery, was today sentenced to the penitentiary for three years on one count and two years on the other. He was at once taken to the train for Columbus His son-in-law, W. J. Piero, who is himself in trouble, went along to com-fort the old man on the trip. Tyler is

Dazzles Her Audiences.

Chicago, March 8—Mrs. Celia Wallace, who caused a sensation by wearing a dress which cost \$50,000, is preparing to dazzle first nighters at the coming grand opera by wearing \$150,000 worth of precious stones, and a gown which will cost \$30,000.

Couldn't Find Any Subscribers. Beloit, March & Frank Lockard, of Norton, northwestern Kansas agent for the forthcoming work entitled "Emi-nent Men of Kansas," visited a day in Beloit canvassing for subscribers, but he didn't succeed in inding a patron who was willing to contribute his pic-ture toward embellishing the pages of

the work for which the charges are on-

ILLNESS OF THE QUEEN. For France.

Windsor, Eng., March 8.—The departure of Queen Victoria for Nice tomorrow has been postponed owing to her indisposition. Her majesty did not take her usual drive yesterday, kept to her room and dined in her room yesterday evening.

The private secretary of the queen, Sir Arthur Bigge telegraphed at noon today in reply to inquires on the sub-ject that the indisposition of her majes-ty was not serious and that she felt bet-

In spite of the indisposition, the queen was able to hold a privy council yesterday, and it is now understood that her departure for the south of France has only been postponed for

THE SECRET OUT.

France is Jealous of the United States.

London, March 8 .- The Paris correspondent of the Daily Mail comments upon the fact that the bourse yesterday for the first time was seriously affected by the situation of Spain and the United States and the Spanish stocks fell heavily.

"French sympathies," says the Dally Mail's correspondent, "are undoubtedly with Spain. Furthermore, France desires to see a check put upon the growing political and commercial importance of the United States."

London, March 8 .- The Times editorially says this morning: "If Spain is placed in an awkward position respecting the Lee incident she must thank the indiscretion of her foreign office. She can not blame Presi-

dent McKinley. Mr. Cannon's bill can hardly be explained by the Lee incident. It is probably due to the rumors that Spain is purchasing war vessels.
"We do not believe that Spain desires war, but if she does this evidence of war, but if she does this evidence of America's alertness offers a most effectual check. President McKinley appears to be adhering loyally to the policy of firmness, caution and pacific circumspection he has hitherto pursued No doubt he has the support of the sober and conscientious mass of the American people, but he has had to face outbursts of regular cleans.

outbursts of popular clamor that a weaker man might have mistaken for the voice of the country.

"The complicity of the Spanish government in the Maine disaster is a hypothesis too monstrous and irrational to be entertained; and, except that, there is nothing impossible of arrangement between Spain and America, while the nature of Cuba's disorders can but ire thoughtful Americans with a

The Daily News in its editorial on the The Daily News in its editorial on the Cuban situation says:
"We can not doubt as to the ultimate issue of a war between the United States and Spain; but America might have a bad quarter of an hour before victory. European alliances against United States may be left out of the question despite the talk of Spain's friends. The attitude of the Spain's friends. The attitude of the Spain's American republics, however may give the Americans pause. The one thing needful, so far as England is concerned, is that those who have so often mismanaged our relations with the United States should not repeat their historical

States should not repeat their historica 'It may be taken for granted, that America wants nothing from us but sympathy, and that, with or without it, she will come out on the right side. But the United States would never for-get any momentary failure on our part to de prompt justice, on the detestable doctrine that America's difficulty is Great Britain's opportunity. "That doctrine is sure to be preached in its own bad time by some of our jin-

goes, but we must take care that they do not speak for the nation." STAMPEDE FROM DAWSON Is Started by a Rich Strike on Ameri-

can Creek. Victoria, B. C., March 8,-F. C. Nichols, who arrived from Dawson today, confirms reports of big strikes on American creek and a stampede to that American creek and a stampede to that place from Dawson. He also reports rich strikes on Rosebud creek, 50 miles this side of Dawson. Prospectors took out from \$4 to \$5 to the pan and when the news reached Dawson, a big crowd started for the new diggings. The creek is said to be very rich.

Major Walsh is coming back to Ska-

Major waish is coming back to Ska-guay for some reason, but the rest of his party are continuing on to Dawson. Seattle. Wn., March & Steemer Alli-ance arrived today from Copper river, Alaska. Captain Hardwick reports everything quiet when he left. Pros-pectors are now going over the Valdes pass into the interior without any trou-The trail is reported to be in good

The citizens of Copper City, on Valdes The citizens of Copper City, on Valdes bay, have organized a court for the purpose of dealing with law breakers.

A set of laws have been drawn up which provide that all offenses are to be tried by a jury of 12. The accused person is to have the right of three peremptory challenges in the empanelling of the jury. In the case of murder the penalty is to be death. In all cases of larceny of over \$100, the penalty is to be the same as that for murder. Under \$100 complete restitution is to be made and the offender is given ten days in which to get out of the country.

Three Outlaws Disposed of in Wyoming.

A TRIPLE LYNCHING.

Cheyenne, Wyo., March 8 .- A special to the Sun-Leader from Rock Springs says Valentine Hoy's friends have captured and lynched three of the murderers of Hoy. The men lynched are T. J. Johnson, a man named Bemerst and a third man whose name can not be

learned. Some days ago Johnson, who was a cowboy employed on Hoy's ranch near Rock Springs, shot and killed a boy named Willie Strong for a trivial provocation. He escaped and joined some of "Butch" Cassady's outlaws. Hoy joined a sheriff's posse which went in pursuit. The posse came upon Johnson and two others in LaDoe canyon, when a fight occurred in which Hoy was killed. The outlaws were however surrounded in the canyon and finally captured and lynched. Details of the affair are meager.

The killing of Hoy, who was a prominent man has stirred up the authorities of Colorado, Wyoming and Utah and it is now proposed to send the combined military of the three states, if neces-sary against the Cassady gang which occupies an almost impregnable fortress known as "Robber's Roost" near Ver-

WHITE HOUSE THIEF.

President Mckinley's Footman Scared Without Reason.

Washington, D. C., March 8.-Pres-McKinley's footman was oadly frightened at an early hour this norning by some one trying the window of his sleeping apartment, which is in the basement of the executive

He appreciates the health-giving properties of fresh air and sleeps with his windows open.At first he did not know whether he had to deal with a burglar or with an imitator of Charles Martin, the late Senator Vance's son-in-law, who upon more than one occasion filled bis skin with more frewater than it could conveniently stand, then proceed-ed to pelt the executive mansion with stones, and was locked up for his pains. Fortunately for the footman, it was neither. The police sergeant in charge of the White House squad was not aware of the habits of the footman and, finding the window onen naturally aware of the habits of the footman and, finding the window open, naturally thought it had been forced, and being solicitous for the safety of the president and the other inmates began an investigation. Mutual explanations followed and then the frightened negro returned to his couch and the officer to his best.

GIVES TOPEKA A TRAIN.

U. P. Plug Will Leave Junction City at 6 a. m. Reaching Topeka at 8:30.

The Union Pacific "plug" which was taken off when the road went into the hands of receivers, is to be restored.

The train will be known as Nos. 5 and 6. It will leave Junction City at 6 o'clock a. m., arrive at Topeka at 8:30 and at Kansas City at 10:30. It will leave Kansas City at 4 p. m., arrive at Topeka at 6:10 and at Junction City at

Chamberlain's Cough Remedy.

This remedy is intended especially for coughs, colds, croup, whooping cough and influenza. It has become famous for its cures of these diseases, over a large part of the civilized world. The most flattering testimonials have been received, giving accounts of its good works; of the aggravating and persistent coughs it has cured; of severe colds that have yielded promptly to its soothing effects, and of the dangerous attacks of croup it has cured, often saving the life of the child. The extensive use of it for whooping cough has shown that it robs that disease of all dangerous consequences. It is especially prized by mothers for their children, as it never fails to effect a speedy cure, and Chamberlain's Cough Remedy. d by mothers for their calidren, as it hever falls to effect a speedy cure, and because they have found that there is not the least danger in giving it, even to bables, as it contains nothing injur-ous. Sold by all druggists.

A Blessing For the Ladies.

Thousands of ladies are using Brazilan Balm. For soreness, pain, bearing lown and many kinds of trouble, it acts like a charm. A 50 cent or dollar bottle often does more good in one week than any other remedy does in months. It goes right to the spot, removing all in finammation. Mrs. Geo. W. Roberts, of Wilmington, Del., says, "A strong solu-tion of Brazilian Balm and warm water used as an injection has done me more good than all the remedies and prescriptions I ever tried."

A CONCEALED WEAPON. Know He Was Armed.

Mr. W. A. Thomas, manager of the Insurance Observer, the New York pub-lication that this month printed a full page cartoon picturing Insurance Com-missioner McNall as "Nero at the burn-ing of Rome," is not altogether un-known to McNall. After gazing at the cartoon for several hours, Commission-er McNall yesterday afternoon dictated the following letter to Mr. Thomas. The letter was mailed inst night:

Topeka, March 7, 1898.

W. A. Thomas, Manager the Insurance Observer, No. 55 Liberty Street, New York: Dear Sir—What will you charge me for 10,000 copies of the Insurance Observer, under date of March 1st, 1898, laid down in Topeka, containing cartoon of myself fiddling while Kansas is burning, together with a copy of the indictment found against you in the United States district court of New Jersey, at the time you were indicted in '80 for the offense of unlawfully and fraudulently abstracting and emdicted in \$0 for the observations and fraudulently abstracting and embezzling certain moneys in the sum of \$3,000? Yours truly,

WEBB McNALL.

GYPSY QUEEN MOVES.

Pitches Her Tent in the Woods Near the Reform School.

Molly Fryer-Stachovitch, her husband, Louis Stachovitch, Gustave Stachovitch and his wife have broken their Gypsy camp at Curtis and Jackson streets in North Topeka and made a new camp half a mile south of the Reform school near the Rock Island

They are making preparations for the coronation of the queen-elect of the Sypsies which is set for May 22. Gypsies which is set for May 22.

A report was published in several northeastern Kansas papers that the queen-elect. Molly Fryer-Stachovitch had eloped with a Gypsy from another camp, but this is false as they are now at their camp near the Reform school. There are Gypsies camped at different points north of the city who came to attend the coronation. Some time ago several so-called "Gypsies" were arrested at Wathena on the charge of stealing goods from a store there. Who they were is not known, except that it was not any of the Stachovitch tribe, who say they do not believe they are Gypsies at all, but just common "movers."

It is probable that the coronation will be held in an open field somewhere near the camp. There will be a week of festivities.

CANADA'S GREED. Wants to Monopolize the Klondike Trade.

Ottawa, Ont., March 8.-The passage of the Frye bill in the United States enate was the subject of a heated debate in the Canadian commons, attenion having been called to section 13 of

that bill.

Sir Charles Tupper arose and asked if the government, in the face of the extraordinary proceedings at Washington, intended to proceed with the Yukon railway proposals. He then, with well simulated indignation and in the

well simulated indignation and in the strongest terms, dwelt upon the actions of the senate, which he characterized as unbearably aggressive. He declared that neither the Canadian parliament nor people would tolerate the dictatorial attitude assumed.

The premier claimed that by the treaty of Washington free navigation of the Stickeen was assured to Canada, and any law passed by the American government which would render nugatory the substance or intent of that treaty, was ultra-vires and would be so held in the United States courts. He stated that if the difficulties at Wrangle stated that if the difficulties at Wrangle became insurmountable the govern-ment would construct a railway from ment would construct a railway from an ocean port in British Columbia to connect with the Stickeen route. The trade at Klondike belonged to Canada, and he proposes to keep and maintain it for Canadians, but if the suggestions of Mr. Tupper were adopted, that trade would be given over to Pacific coast cities of the United States.

THE TRAILS ARE OPEN And the Exodus From Skaguay Has Set In.

Nanalmo, B. C., March 8.—The steam-ship North Pacific, from Skaguay, Ju-neau and Wrangel, called at Departure bay late last night, her supply of coal having run out. Her officers describe the situation at Skaguay most favor-ably. They say that often deaths from spinal meningitis were the result of exposure on the trails, the men be-ing brought into Skaguay in a dying condition. The number of deaths, Cap-tain Carter says has been greatly extain Carter says has been greatly ex-

aggerated.
Fine weather prevailed when the North Pacific left Skaguay last Wednesday. White and Chilcoot passes were fit for travel and many had already begun the journey inland. Outside of the trouble that arose from the operations of confidence men, there was no disorder in the town although the aggerated. disorder in the town, although the

THE DREADED CONSUMPTION CAN BE CURED

Medical Council and Laboratory Department . C. Slocumi, Manufacturing Obe. gs Pine Street, New York, March 5, 1898.

To the Editor of The Topeka State Journal.

My dear Sir:-

In reply to your late advice, am pleased to state that I have discovered a reliable and absolute cure for the dreaded consumption; also for throat, bronchial and lung troubles, coughs and catarrh, scrofula, rheumatism, general decline or weakness, loss of flesh and all wasting-away conditions.

By its timely use thousands of apparently hopeless cases have been permanently cured.

I know that there are many of your readers who would be benefited or cured, if they would allow me to advise them in the use of my new discoveries.

So proof-positive am I of their power to cure, based upon actual experience, and to better demonstrate their wonderful merits, I will send Three Free Bottles (the Slocum New System of Medicine) to any of your readers who will write me at my Laboratory, 98 Pine Street, New York, giving name and full address.

> Always sincerely yours, Moonwit

Editor's Note: The above is published for our readers' benefit. Every sufferer should take advantage of the liberal offer, and we ask when writing
